The governance framework of the Company is constituted by the Statement of Corporate Governance Practice of the Company. It serves as an ongoing guidance for the Directors to perform and fulfill their respective roles and obligations to the Company.

Corporate Governance Practice

The Company has in place a set of governance policies and procedures which constituted the core elements of the governance framework of the Group. They include:

- **Reporting and Monitoring Policy on Connected Transactions**
The purpose of this policy is to set out the internal control systems and monitoring procedures of the Company in respect of executing, recording and reporting of all connected transactions and continuing connected transactions no matter they are exempted transactions or otherwise.
- **Schedule of Matters Reserved for the Board**

- **Policy on the Preservation and Prevention of Misuse of Inside Information**

CORPORATE GOVERNANCE REPORT

Compliance with Corporate Governance Code and Listing Rules

During the year, the Company has complied with most of the code provisions and where appropriate, adopted some of the recommended best practices as set out in the CG Code. Set out below are the details of the deviations from the code provisions and non-fulfillment of Rule 3.10A of the Listing Rules:

CG Code Provision A.2.1 requires that the roles of chairman and chief executive should be separate and should not be performed by the same individual

Dr. Lo Ka Shui is the Chairman of the Board and is holding the office of Managing Director of the Company. While this is a deviation from CG Code Provision A.2.1, dual role leadership has been in practice by the Company for decades and has withstood the test of time. The Board considers this arrangement to be appropriate for the Company as it can preserve the consistent leadership culture of the Company and allow efficient discharge of the executive functions of the chief executive. The Board believes that a balance of power and authority is adequately ensured by the operations of the Board which comprises experienced and high caliber individuals including five Independent Non-executive Directors and three Non-executive Directors. Meanwhile, the day-to-day management and operation of the Group are delegated to divisional management under the leadership and supervision of Dr. Lo in the role of Managing Director who is supported by the Executive Directors and Senior Management.

CG Code Provision A.4.1 requires that non-executive directors should be appointed for a specific term, subject to re-election

While the Bye-laws of the Company requires that one-third of the Directors (other than the Executive Chairman and Managing Director) should retire by rotation, the Non-executive Directors (including the Independent Non-executive Directors) have no fixed term of office. The Board considers that the provisions in the Bye-laws of the Company and its corporate governance measures are no less exacting than those prescribed by CG Code Provision A.4.1 and therefore does not intend to take any steps in this regard.

CG Code Provision A.4.2 requires that every director should be subject to retirement by rotation at least once every three years

Under the existing Bye-laws of the Company, the Executive Chairman and Managing Director of the Company are not subject to retirement by rotation. The same provision is contained in The Great Eagle Holdings Limited Company Act, 1990 of Bermuda. As such, Directors who hold the offices of either the Executive Chairman or the Managing Director of the Company are by statute not required to retire by rotation. After due consideration, in particular to the legal costs and procedures involved, the Board considers that it is not desirable to propose any amendment to The Great Eagle Holdings Limited Company Act, 1990 for the sole purpose of subjecting the Executive Chairman and Managing Director of the Company to retirement by rotation. Dr. Lo Ka Shui is the Executive Chairman and Managing Director of the Company. His interests in shares and underlying shares of the Company and associated corporations are set out in the Report of the Directors contained herein. There is no service contract between the Company and Dr. Lo Ka Shui, and he is not appointed for any specified length or proposed length of services with the Company. Notwithstanding that Dr. Lo is not subject to retirement by rotation, he has disclosed his biographical details in accordance with Rule 13.74 of the Listing Rules in the circular to the Shareholders in relation to, among other things, the re-election of retiring Directors, for Shareholders' information. A biography of Dr. Lo and details of his emoluments are also provided on page 149 of this Annual Report and in note 11 to the consolidated financial statement respectively.

CORPORATE GOVERNANCE REPORT

CG Code Provision B.1.5 requires that details of any remuneration payable to members of Senior Management should be disclosed by band in annual reports

Remuneration details of Senior Management are highly sensitive and confidential. Over-disclosure of such information may induce inflationary spiral and undesirable competition which in turn is detrimental to the interests of the Shareholders. The Board considers that our current approach in disclosing the emoluments of Directors on named basis and that of the five highest paid individuals of the Group in the forms of aggregate amount and by bands in our annual reports is appropriate to maintain the equilibrium between transparency and privacy.

CG Code Provision A.6.5 requires that all directors should participate in continuous professional development to develop and refresh their knowledge and skills

Madam Lo To Lee Kwan, a Non-executive Director of the Company, is the co-founder of the Group. She was actively involved in the early stage of development of the Group and has valuable contribution to the growth and success of the Group over the years. Since she is relatively inactive in the Group's business in recent years, she has not participated in the 2016 Director Development Program provided by the Company.

Rule 3.10A requires that the Company must appoint Independent Non-executive Directors representing at least one-third of the board

Following the appointment of two additional Executive Directors to the Board on 2 December 2015, the number of Independent Non-executive Directors of the Board was less than one-third of the members of the Board. Upon the appointment of Mr. Lee Siu Kwong, Ambrose as an Independent Non-executive Director with effect from 28 January 2016, the Company had then fulfilled the requirement of Rule 3.10A of the Listing Rules and within three months from 2 December 2015 as required under Rule 3.11 of the Listing Rules. No issues preserved for the decision of full Board was considered during the period from 3 December 2015 to 27 January 2016. The Board Meeting held on 28 January 2016 was solely for the approval of the appointment of additional Independent Non-executive Director.

Independence of Independent Non-executive Directors

The participation of Independent Non-executive Directors in the Board brings independent judgment on issues relating to the Group's strategy, performance, conflicts of interest and management process to ensure that the interests of all Shareholders of the Company have been duly considered.

The Company has received from each Independent Non-executive Director an annual confirmation of his/her independence, and considers the five Independent Non-executive Directors of the Company fulfill the independence guidelines set out in Rule 3.13 of the Listing Rules. Re-election of all Directors will be subject to a separate resolution at the Annual General Meeting to be approved by Shareholders. Three of the Independent Non-executive Directors, namely Mr. Cheng Hoi Chuen, Vincent, Professor Wong Yue Chim, Richard and Mrs. Lee Pui Ling, Angelina have served on the Board for more than nine years. The Nomination Committee is fully satisfied that they demonstrate complete independence in character and judgement both in their designated roles and as Board members and is of the opinion that they continue to bring independent view of the Company's affairs to the Board notwithstanding their length of service. The Board believes that their in-depth knowledge of the Group's business and their extensive experience and expertise continue to provide invaluable contribution to the Board.

Directors Orientation and Continuing Development

The Company has established a Director Development Program that fosters the continuous education of Board members. The program has two components namely (1) New Director Orientation and (2) Ongoing Director Development.

Newly appointed Directors will receive a comprehensive induction package designed to provide a general understanding of the Group, its business, the operations of the Board and the main issues it faces. The induction package reviews the Board's policies and procedures; Great Eagle's Bye-laws and current organisation structure; the most recent annual and interim reports and key business issues. In addition, a new Director will have a one-on-one meeting with the Company Secretary with the purpose of assisting the new Director in understanding the role of the Board and its committees, and the commitment expected of a Director.

To keep abreast of the responsibilities of the Directors and infuse them with new knowledge, information packages comprising the latest developments in the legislations, industry news and materials relevant to the roles, functions and duties as a director will be provided to each Director by the Company Secretary periodically. As a Group, we value communication and team spirit, and make continuous effort to promote dialogue, teamwork and a healthy work-life balance. Social events have been organised regularly to promote communication and cohesion across departments, business units and levels of seniority throughout the Group. These activities include:

- (a) Senior Staff Meetings hosted by the Chairman briefing about recent business development of the Group;
- (b) Departmental Meetings with light refreshment, which enable every employee to enjoy a casual conversation with the Chairman; and
- (c) Executives Luncheons hosted by the Chairman and/or Executive Directors which facilitate idea exchange among top management members of the Group in Hong Kong.

In addition, there is an iForum where employees could freely express themselves and share their ideas with others. Since 2014, a Great Eagle Innovation Program, which is an interactive and transparent platform, has been launched for employees to contribute their innovative ideas to various areas, including but not limited to, process improvement, productivity enhancement, service upgrade, product betterment and sales promotion of the Group. The theme of the 2016 Innovation Program was "Develop New Businesses, Generate More Income" and keen participation among employees was witnessed.

We believe that the provision of opportunities for training and development is an important component to attract and retain staff. Ever since 2012, the corporate culture of applying the best practices from "The 7 Habits of Highly Effective People" program and adopting innovative approaches at work has continuously been cultivated. We raise staff awareness through different channels such as training programs, promotional items, forming committee and intranet for staff to express their ideas. Since 2013, the Group has further promoted the innovation culture through establishing an on-line platform of Great Eagle Innovation Portal to facilitate exchange of innovative ideas among staff and Business Units/Departments. Besides, the Group has also developed external and in-house designed training programmes in supervisory, management, soft skills as well as technical skills training. Focusing on talent management through training and development, succession planning and mentoring program further strengthens the Group's organisational agility. The organisation strategies are sustainable due to staff involvement and management support. Since strategic alignment with the corporate Vision, Mission and Value plays an important role in organisational development, various strategic planning initiatives are organised to ensure business objectives are achieved.

Since the launch of the renewed Vision, Mission, Objectives and Values (VMOV) in 2015, the Hotel Division aimed at articulating a common future picture of the organisation to every colleague. The vision statement "*We will be recognised as the leading and visionary hospitality group in the world by offering unique brands for different market segments and building guest loyalty*" provides a clear picture to every employee on the direction of Hotel Division, i.e. the expansion of the portfolio as a hotel management company. The Hotel Division also introduces a set of "The Commitments" which outline the purpose of our business existence and provide a sense of meaning to the colleague instead of only a job.

CORPORATE GOVERNANCE REPORT

The Hotel Division continues to instill and promote this culture among all colleagues through a certification system "First60 Certification". The objective is to ensure all colleagues are well equipped with knowledge and skills right at the beginning of the first 60 days of the employment. Within the system, colleagues attend a 5-module customer service series named "Passion". "Passion" covers topics across the brands, genuine service and service recovery skill. The leadership module, "Service Leadership", introduces the Langham's leadership model and the tools available for our leaders to ensure our service culture sustainable.

In 2016, the corporate office senior management team of the Hotel Division conducted leaders briefings in the hotels to elaborate the overall business model, operations model as well as the leadership expectations. The briefing provided the opportunities for the hotel management team not only to understand the company philosophy and expectations directly from the senior corporate management, and also exchange ideas on how to make the hotel more successful and leading towards our Vision.

A series of colleague engagement programme has been introduced to foster over 5,000 colleagues globally in VMOV, focusing on 4 key stakeholders group: Colleagues, Guest, Investor and World. Upon the accomplishment of two successful global events covering Colleagues and Green in 2015, the Hotel Division launched the "My Langham Story" story writing competition internally to promote Guest Focus in 2016. The competition was designed to engage colleagues in sharing their guest service stories by revealing our unique service culture. The competition was well received with over sixty entries from colleagues. Another global event will be organised in 2017 with the focus on Investor.

Our Hotel Division is continued to be acknowledged as "Manpower Developer 1st." in the Manpower Developer Scheme by the Employee Retraining Board from 2010 to 2018. Three hotels in Hong Kong are awarded by The Hong Kong Joint Council for People with Disabilities and The Hong Kong Council of Social Services as 18 Districts Caring Employer 2016.
